

Free Sample Best Price of 99.5% Dicyandiamide Powder Cas Powder, White Crystal Powder 461-58-5 Cyanoguanidine DCDA

Specifications :

Price	Contact us
Place of Origin	China
Min.Order Quantity	1000 Kilograms
Payment Terms	T/T, D/P, D/A, L/C and other payment terms
Supply Ability	50000 Metric Ton/Metric Tons per Year
Delivery Detail	3days-7days

Detail Introduction :

Product Name	Dicyandiamide
CAS No.	461-58-5
EINECS No.	207-312-8
MF	C2H4N4
Molecular weight	84.08
Appearance	White Powder
purity	99.5%
Shelf Life	2 years
Certification	Halal,Kosher,Iso,Haccp
Packing	25kg/bags

Specification

ITEM	STANDARD
PURITY	MIN99.5%
MOISTURE	MAX 0.30%
ASH CONTENT	MAX 0.05%
MELTING POINT	209-212 Oc
CALCIUM	MAX. 200PPM
IRON	MAX. 10PPM

Useages:

Dicyandiamide is white crystal powder with density: 1.40g/m^3 (25?), melting point: 207~212?, stable and nonflammable in dry condition. It is soluble in water, ethanol or sparingly soluble in ether and benzene. It is a material to produce melamine guanamine, multi-resin, melamine and fire proofing agent, Also can be used in chemical industry as synergist for metal surface, color fixing agent for dyeing, padding for artificial leather and additive in adhesive, used as a fertilizer, cellulose nitrate stablizer, rubber vulcanization accelerator, also used in the manufacture of plastic, synthetic resin, synethetic paint, cyanide compounds, or to make meianin, such as explosive materials. Used for test cobalt, nickel, copper and palladium, organic synthesis, nitrocellulose stabilizing agent, curing agent, detergent, vulcanization accelerator, resin synthesis, etc.

Service:

1. Over 20 years of exportation experience.
2. 5x24 hours customer service, help you to resolve your questions anytime you want.
3. Arrange the orders and shipping with cus requests in time, According to the different countries export policy provide complete customs clearance documents.
4. Variety of products: more than 100 products with competitive price and we can in charge of all if our products have quality problems.

Why Choose us?

- 1.Mixed container, we can mix different items in one container.
- 2.Over 20 years of experience
- 3.Sales to more than 70 countries
- 4.100 products with competitive price
- 5.FCL, LCL, long contract, year contract available
- 6.Halal, Kosher, ISO 9001 certified
- 7.High quality products, complying with BP/USP/FCC/EU standard
- 8.1500 m2 owned office and 3000 m2 warehouse
9. Different payment.term could accpet

Packaging & Shipping

Packing	200kg drum or ISO Tank
Liquid Packaging	200-220kg drum or according to client request

Delivery Detail	2 weeks after confirm order. Some of the products can be supplied within 7 days on the strength of EDC warehouse.
-----------------	---

FAQ

1. Packing:
Against client require.
2. Payment:
T/T, D/P, D/A, L/C and other payment terms.
3. Delivery Time
After signed purchase order 7 – 15 days, we can ship the goods.
4. Loading Port
China main port such as Tianjin, Shanghai, Qingdao, Huangpu, Lianyungang, etc.
5. Reply Time.
If you have any problem or anything, we will reply within 24 hours as we got the message.
6. Document we can supply.
Invoice, Packing List, BL, Health certificate or other as the client's require.
7. Certificate.
ISO Certificate, Hala Certificate, Kosher Certificate.
