25kg woven plastic bag lined with double plastic bags;

One-ton plastic bag;

50kg fiber drums;

1-5kg plastic pail;

10kg plastic pail;

50kg plastic drums;

Or packing according to buyer's demand.

## **Storage & transportation:**

Stored in a cool and dry place, No contacting with nitride and reductive or oxidation matter. It can be carried by trains, trucks or ships.

## **Our Services**

- 1) We 100% inspect our finished product.
- 2) Packing with pallet as buyer's special request
- 3) Best service after shipment with emails
- 4) Cargoes photo before and after loading into container
- 5) Full experience of large numbers containers loading in Chinese sea port
- 6) Fast shipment by reputed shipping line
- 7) Cargoes together with container sales service available
- 8) Raw materials from China origin.

## **Features:**

1. Our products are safe and effective.
2. Our quality is guaranteed and the content of effective chlorine is sufficient.
3. Reduce the growth of algae effectively.
4. Due to high chlorine content, handling is easy for large pools.
5. Packaging conforms to dangerous goods and chemicals transportation.

## **Advantages:**

1. We are a professional manufacturer of swimming pool chemicals.
2. We are a professional manufacturer with management qualifications of dangerous goods.
3. Factory production accord with the requirements of environmental protection, production capacity is stable and is in the stage of growth.
4. The delivery is timely, the price is reasonable, the quality is guaranteed.
5. According to customer's requirements, we can provide a variety of package suitable for the transportation conditions of chemical products.
6. Our customers are all over the world with long-term cooperation for many years.
7. We have high quality service and perfect after-sales service system.
8. We are equipped with advanced and environment-friendly machine.
9. Our technicians and workers are with us since we established and are very professional.
10. Our quality control department has three shifts, inspecting the products 24 hours.
11. We take responsibilities of any quality problem.
12. We have professional logistics and use the containers to ensure the goods in good condition, improve the transportation quality, reduce the damage or loss.

## **FAQ**
