3. Reduce the growth of algae effectively.
4. Due to high chlorine content, handling is easy for large pools.
5. Packaging conforms to dangerous goods and chemicals transportation.

Packing & Delivery

--Packing Details :

packing according to buyer's demand.

We can Customizable shipping mark(Style, color, size).

--Delivery Details :

Port of Loading: Qingdao, China
Load Qty: about 21MT per 20'FCL

Stored in a cool and dry place, No contacting with nitride and reductive or oxidation matter. It can be carried by trains, trucks or ships.

Advantages:

1. We are a professional manufacturer of swimming pool chemicals. 2. We are a professional manufacturer with management qualifications of dangerous goods. 3. Factory production accord with the requirements of environmental protection, production capacity is stable and is in the stage of growth. 4. The delivery is timely, the price is reasonable, the quality is guaranteed. 5. According to customer's requirements, we can provide a variety of package suitable for the transportation conditions of chemical products. 6. Our customers are all over the world with long-term cooperation for many years. 7. We have high quality service and perfect after-sales service system. 8. We are equipped with advanced and environment-friendly machine. 9. Our technicians and workers are with us since we established and are very professional. 10. Our quality control department has three shifts, inspecting the products 24 hours. 11. We take responsibilities of any quality problem. 12. We have professional logistics and use the containers to ensure the goods in good condition, improve the transportation quality, reduce the damage or loss.

FAQ

Q: Are you trading company or manufacturer ?

A: We are the factory.

Q: How long is your delivery time?

A: It generally takes 5-10 days if the goods are in stock, or 15-20 days if the goods are not, depending on the quantity ordered.

Q: Can you support OEM /ODM?

A: Yes, we can make products as your request.

Q: Do you provide samples? Does it cost extra to request one?

A: Yes, we could offer the sample for free by requests but are not responsible for the freight cost.

Q: What is your terms of the payment ?

A: If the payment is ≤ 1000 USD, please pay 100% in advance. If the payment is ≥ 1000 USD, please pay 30% T/T in advance, balance before shipment.

If you have other questions, please feel free to contact us.

Q:How can I get some samples?

A: Please send us your address, we'll be happy to offer you samples.

Q:Do you have stock?

A: We understand that most customers prefer products in stock, so we'll try to keep most products in stock. However, we can keep certain products in stock because they need time to be synthesized.

Q:What documents you provide?

A:Usually, we provide Commerical Invoice, Packing List, Bill ofloading,Insurance,COA , and Origin certificate.

Q:How do you treat quality complaint?

A:First of all, our quality control will reduce the quality problem to nearly zero. If there is a real quality problem caused by us, we will send you free goods for replacement or refund your loss.
